

# Shipwrecked

Timeline							
7 <sup>th</sup> November 1728	1755	1766	19 <sup>th</sup> April 1770	1772	1779	1800-1805	1820
Captain Cook was born	Captain Cook joined the Navy	Captain Cook became in charge of the endeavour accompanied by Joseph Banks	Captain Cook and Joseph Banks travelled to Australia	Joseph Banks led an expedition to Iceland to explore volcanos	Captain Cook died	Joseph Banks supervised the first circumnavigation of Australia by Matthew Flinders	Joseph Banks died

## Key Vocabulary

captain	the person in command of a ship
continent	any of the world's main continuous expanses of land
ocean	a very large expanse of sea
expedition	a journey undertaken by a group of people with a particular purpose
settlement	a place, typically one which has previously been uninhabited, where people establish a community
trade	the action of buying and selling goods and services
circumnavigate	sail or travel all the way around
lighthouse	a tower or other structure containing a beacon light to warn or guide

### General Knowledge

Captain Cook was an explorer. He made three voyages to the Pacific Ocean, mapping many areas and recording islands and coastlines on European maps for the first time. His most interesting voyage took him to Australia where he found the Hawaiian Islands. Sir Joseph Banks sailed with Captain Cook on HMS Endeavour bringing together a team who collected brand new plants, fish, birds, animals and insects as the ship sailed round the world.

### Famous Figures

Captain James Cook

Joseph Banks

Matthew Flinders
