Maths

Comparing quantities of identical objects and non-identical objects

Use the songs and stories suggested to role play the story with the children e.g. Five currant buns.

One more and one less

Capacity and weight

Phonics

Children will learn a new set of sounds per week. They will use these to blend and segment words for reading and writing

Spring 1	Sets	Tricky Words
Week 1	Ch, th, ng,	Phase 3
Week 2	Ai ee oo oo	he she we me
Week 3	Oa ar or igh	be you all are
Week 4	Ur ow oi ear	her was they my
Week 5	Er air ure	Recap 2 and
Week 6	Phase 2 and 3 recap	Recap 2 and 3

Understanding of the World

What changes can you see?

Why do you think that has happened?

What has happened to the water?

How might it be able to change back to water?

What does the heat do to the ice?
